RE: Marty Powell

DHL & Cincinnati Public School Logistic Program

Dear Mr. Simmon, thank you for the awesome job that Ms. Rece and Ms. Brittany Cousins have done with the Logistics Training Initiative Program at Gilbert A. Dater High School. I cannot thank you enough as a parent. What an awesome gift DHL has provided by giving to students, parents, and our Communities.

Thank You!

This program calibration between DHL and Cincinnati Public is a positive, up lifting, quality of life changing event for the youth participants. This success is life altering and it will live forever in the hearts of every parent and student touched by this generous gift. I and my son Marty Powell will always recognize the great efforts that went into making this program a Success!

This program removed many, many, barriers for students and parents. By removing the obstacles that could cause the initiative and the students to fail, this opportunity gave priceless resources to ensure a smooth transition.

A year's worth of free transportation, Steel toe Reebok shoes in size 13, 4 DHL Logo work shirts, 2 DHL Log hoodies, DHL hand sanitizer's, DHL hats, PNC banking budgeting, training for the job in Logistics from Cincinnati State Instructor, testing Certification, 3 College credits, the option of tuition reimbursement, starting pay 13.55 an hour, and a chance to see my son on video representing the program. This idea has added great quality to him as a young man and all before graduating from High School... WOW"
