

AVAILABLE COURSE OVERVIEW

LEAN LEADERSHIP

Based on the popular book **PEOPLE: A leader's day-to-day guide to building, managing and sustaining lean organizations**, this interactive course will coach you through simple and effective tips to lead teams daily by focusing on your greatest asset: people.

Led by seasoned coaches one section at a time, this interactive, blended format helps you solve real business problems by directly applying what you learn.

From small businesses to Fortune 100 companies, every leader from the shop floor to the executive board room will benefit from this unique program.

LEARNING OBJECTIVES

- Leaders will have the capability to understand and support the principles of Lean
- Leaders will optimize their time and make room for improvement, manage for daily improvement, communicate effectively for change using principles of advocacy, inquiry, listening, and coach their teams for success
- Leaders will reflect and share lessons learned across the organization, and build the learning organization
